ARMY CRACKDOWN

The army is determined that returned European war veterans shall no longer appeal to congressmen or newspaper men to hasten their discharge from the army or to protest redeployment to Japan for police duty.

Severe secret orders have just been issued to this effect over the signature of Brig. Gen. A. M. Gurney, chief of staff for Lt. Gen. Lloyd R. Fredendall, commander of the 2nd army. The order, which has been secretly circulated, reads:

"Recently members of a division in the United States scheduled for redeployment to the Pacific area appealed to the press and radio protesting against transfer of the division to the Pacific theater. . . . Action of this nature, if concerted, may subject participants to disciplinary action. . . .

"Incidents such as noted in paragraph 3 above (the paragraph just quoted)," continued the secret order, "will be dealt with drastically by this headquarters and the commander concerned will be summarily relieved."

The division referred to probably was the 95th, stationed at Camp Shelby, Miss., which sent all sorts of appeals to newspaper men and radio commentators against being transferred from Europe to Japan. Apparently the protests worked, for the order to send the 95th to Japan was rescinded. . . .

PRESIDENTIAL POKER

Those who traveled with President Truman on his various trips to Washington state and Potsdam found him a delightful and entertaining companion. One story they tell about Truman's trip to the northwest was regarding his salmon fishing off the Washington coast.

While the motor boat was chugging back to shore, Truman and his old senatorial friends, Gov. Mon Wallgren and Sen. Warren Magnuson of Washington, played poker. The stakes were low, but the thrifty Truman was trying hard to come out ahead. It was agreed that, no matter who was ahead, the game would stop the minute the boat hit shore.

So the President kept up a line of banter to the Norwegian skipper.

"Slow her down, Christiansen," he said, "I'm behind. I need a little extra time to catch up."

Or again, it was: "Speed her up, Christiansen, I'm ahead now. Let's get to shore before the governor catches up."

Finally, the motor boat touched shore with the President of the United States a few cents ahead. Skipper Christiansen was just as pleased as Truman.

ARMY AND RAILROADS

Even the army's friends on Capitol hill say the brass hats are killing any chance for public support they might have had by their autocratic disregard for civilian needs in such fields as coal mining, steelmaking and railroading.

One of the busiest railroads in the country today is the Southern Pacific, which has handled most of the east-west traffic to the busy port of San Francisco. The S. P. is a single-track line able to carry its huge volume only by scheduling trains at 10-minute intervals round the clock. In order to maintain this schedule, it requires a huge crew of crack trainmen, repair men and other skilled workers. It has done pretty well even in the last year, although there was a recent bottleneck near El Paso which resulted in the holding up of 75 trains.

Southern Pacific officials have been begging the army to release skilled railroad men with the 80 points required for discharge, or to furlough railroad men in this country with less points.

Finally in mid-summer the army agreed to release 4,000 railroad men, with 2,400 of them assigned to the S. P. But then the army began going back on its promise and said it could discharge only 1,300 men. A few weeks ago, the army released 230 men to the Southern Pacific and said no more were available. The joker is that 24,000 men have gone into the armed forces from the S. P. employment roster.

Finally, War Mobilizer Snyder stepped in and forced the army to release 4,000 railroad men, amidst loud squawks from brass hats that this action would destroy morale.

CAPITAL CHAFF

Senators are looking forward to better eating, now that Derwin Darling has come back from two years in the marines to resume management of the senate restaurant.

Alleged United States opposition to the Kilgore unemployment compensation bill has cracked open. Forty-seven state administrations were reported opposed, but it now develops that Massachusetts, Rhode Island, Oklahoma, Washington and California are definitely for the bill, with Connecticut and several others about ready to support it.

Campbell School Enrollment Increases

Enrollment at the Campbell Elementary school on the first day of the semester reached 1287, an increase of 140 over the first day of last year. Mr. William Henley, district superintendent said that this figure may rise by the end of the week.

Mr. James Dent, principal of the Campbell Union high school stated there were 570 students enrolled the first day. No figures for the first day of last year are available for comparison but the last day of the first week for last year had a total of 550.

A new elective course in driver education is being offered at the high school this year.

Both Mr. Henley and Mr. Dent will attend the annual Conference of City, County and District Superintendents of Schools in Sacramento, Oct. 3, 4 and 5. All local superintendents have been asked to come prepared to discuss possible revisions in the teaching of arithmetic in the elementary grades since a recent test conducted by the U. S. Army Forces Institute showed California's teaching of general mathematics to be below the level of teaching achievement in other subjects.

John Hummel And Bride Home

Mr. and Mrs. R. B. Hummel of Union avenue, have as their guests their son, John Cory Hummel, Petty Officer 1/c and his bride, the former Miss Mary Evelyn Swaney, daughter of Dr. and Mrs. M. A. Swaney of South Mountain, Pennsylvania. The young couple were married at the bride's home on Sept. 2.

Hummel has recently received his discharge on the point system, having been in the service for 4 years; 3 1/2 years of that time was spent on a destroyer in the Pacific.

Two aunts of the young navy man, Mrs. P. E. Hablutzel and Miss Sarah Cory, live in San Jose. Another aunt, Mrs. William G. Alexander of Saratoga, recently entertained with a dinner party for the newly wed couple with twenty-four relatives present.

G. A. Dahms celebrated his 75th birthday last Saturday at his home on 43 South Second. Among those present for the occasion were his daughter, Mrs. Elsie Meredith, his granddaughter, Mrs. Nora Newman and his son and daughter-in-law, Mr. and Mrs. Walter Dahms. Honor guest was Corporal Charles Tidd, Mr. Dahm's grandson, who has just returned home from the Philippine Islands.

Tomatoes and home bottling of fruit juices, including tomato juice, were the main items on last week's demonstration held under the supervision of Mrs. Winifred Jecker, of the Extension department, and sponsored by Campbell High P-T. A. Classes are open to everyone.

During the meeting recipes and dishes containing green and ripe tomatoes were discussed and various relishes sampled. To anyone desiring something different the pear and ripe tomato relish is recommended.

Recipes and bulletins may be obtained by request to the Agriculture Extension Service, 201 Post Office Building, San Jose 18.

The next class is scheduled for Wednesday, Oct. 17, ten to twelve at the Methodist church. At this time two leaders will be chosen to assist Mrs. Jecker in the Campbell area. There will be no cooking as diets and weights will be the subject for discussion.

Last rites were held Saturday, Sept. 22, in San Jose for Walter Church, father of Mrs. Virginia E. Hogue of Campbell.

Art Smith Reported Dead

Mr. and Mrs. W. A. Smith, 124 Sunnyside, received word last week that their son, Art Smith, a member of the aviation engineers in the Air Corps, died June 2, 1942, of malaria contracted in Camp O'Donnell, the Philippines. The Young Campbell man, who entered the army in 1940, was captured on Corregidor and army officials reported him missing May 8, 1942.

For more than three years his family has hoped for news of his survival but until this month had no definite word of his fate.

Another son of the Smiths, Staff Sergeant Robert Albert Smith, who saw 32 months' service with the air corps in India, is now stationed at Harrington Field, Kansas.

Both boys graduated from the Campbell Union High school.

New Postal Notes Available Oct. 1

The Campbell post office announces that, beginning Oct. 1, postal notes may be purchased here. Previously these were sold only in post offices with a first class rating.

The postal notes, which may range in price from six cents to ten dollars, are an advantage over money orders in that they save time, for no application has to be made and they are less expensive. They may be cashed at any office within 60 days.

Chamber Of Commerce Meets

At a meeting of the Chamber of Commerce held Wednesday evening, Sept. 19, in the Country Woman's club hall, the Chamber voted to defray the expenses of the workman's compensation insurance for night officer Evans.

Mr. Evans stated that any of the residents in the Campbell area who desire police protection can obtain the same by contacting him and paying the customary monthly fee.

Joseph Dahl, chairman, reported that his committee on incorporation was still compiling facts and would have a comprehensive report at a later date.

Miss Jessie Lewis was taken to O'Connor sanitarium last Friday for a check-up. Miss Lewis has been living with Miss Hattie De Puy for some time.

Miss Hattie De Puy is leaving tomorrow for Van Nuys to visit Mrs. Susan Evans who is ill.

Mr. and Mrs. F. L. Herington, formerly of Lodi, have moved to Campbell and will be at home at 163 West Rincon avenue. Mr. Herington will enter the real estate business here.

Mrs. Frank Weeks, Fourth street, has as her guests this week her daughters, Mrs. Florence Larson, Tacoma, Wash., and Mrs. Robert H. McEuen and her husband, Lieutenant Robert H. McEuen, Dallas, Texas.

Lieutenant McEuen of the Army Air Force has recently returned to this country after 22 months in England and is, at present, stationed in Stockton.

Mr. and Mrs. Carl B. Field, N. 2nd street, returned last week after a two-weeks' vacation and had as their guests for a few days, Mr. Field's niece and nephew, Mr. and Mrs. Shuler D. Bland of Seattle. The Fields went by train to Seattle and then left there in the Bland's trailer for the trip south which included side trips to Mt. Ranier, the Columbia River, Crater Lake, Lake Tahoe and Yosemite.

Warren Turner Discharged From Army

Sgt. Warren Turner, son of Mrs. Edith Turner, 165 Del Patio Way, returned to Campbell Sunday, honorably discharged from the Army. The sergeant, a member of the Advanced Headquarters of the 9th Air Force, served and visited in 24 foreign countries. He participated in the following battles and major campaigns: Rhineland, Ardennes, Central Europe, Tunisia, Sicily, Naples, Foggia, Northern France and Normandy and wears European-African, Middle Eastern Campaign medal and five battle stars.

His company received the meritorious service plaque for refusing to run in the Ardennes battle.

An employee of the Telephone Company before his service in the Army, Sgt. Turner plans on returning to his position and making his home in Campbell but will take a rest of several weeks before starting to work.

"The boys coming back won't care about all this talk of post war inventions and gadgets," Turner said. "They'll be glad to settle for just the simple things like good food and warm clothes. The hardships and privations on the home front won't impress them much, either."

Paul Campisi Decorated

T/Sgt. Paul J. Campisi, son of Mrs. Vincent Campisi, San Jose-Los Gatos road, has been awarded the Bronze Star for heroism displayed during German counter attacks in the Belgian bulge breakthrough. Campisi, it was stated, remained at his post despite great danger.

The sergeant who graduated from the Campbell Grammar and High Schools was a senior student at San Jose college when he entered the army in April, 1942. His wife, Mrs. Rosalie Campisi, and small son Vincent, reside in San Jose; a brother, Sergeant Salvatore Campisi, was recently discharged from the Army. Two sisters, Mrs. Larry Filana and Miss Elena Campisi, are residents of San Jose and another brother, Dominic, lives in Campbell.

Dr. and Mrs. Frank E. Carlson of Berkeley, accompanied by their daughters Ruth and Lois, spent the week end in Campbell visiting their son, the Rev. Robert Carlson of the Congregational church. Saturday was the Rev. Carlson's birthday and Sunday was Rally Day at the church.

The Rev. Carlson will leave tomorrow to address a Young People's Rally at Guerneville on the Russian river. He plans to return on Saturday.

Mr. and Mrs. Elver Bohnett and Mr. and Mrs. Merlin Bohnett returned Sunday from a week's vacation at Clear Lake.

Cannery Workers Injured In Railroad Accident

Three men were injured today in an accident at the Drew Canning Company when the box car in which they were loading cases of canned fruit was struck by another car being switched onto the Canning Company's spur by the Southern Pacific.

Harley Nelson was thrown out of the car and received severe bruises while Bryce Whitmore was pinned under a slide of cases and badly bruised. Rollie Kuykendall received a slight leg injury and all three were given medical attention.

Damage to the cases and the car is as yet unestimated.

High School PTA Board Meets

Executive board members of the Campbell Union High School PTA unit met for dessert luncheon recently at the home of the magazine chair, Mrs. Frank Chamberlain, on Pine avenue.

First vice-president and program chairman, Mrs. Alfred Weltz, presented the program for the year and it was unanimously accepted by the board. Superintendent James Dent will be the principal speaker at the first meeting, October 10, when he will explain the school program and changes, and present the faculty. The executive board will be hostesses for the day.

In the absence of Mrs. Leland Jones, financial chair, Mrs. Earl Booker, president of the unit, presented the budget. After due discussion it was adopted by the board for ratification by the unit at the first regular meeting.

The immediate project of the unit is the Rummage Sale scheduled for three days, October twenty-fifth, twenty-sixth, and twenty-seventh at the Odd Fellows Hall in Campbell. Any accumulated articles may be brought to the High School. For further information call Mrs. Jones, Campbell 2154.

Folk Dancing Class Begins At C.U.H.

The class in Folk dancing will be held for the first time this year next Tuesday, Oct. 2.

Although this class was held last year all beginners are urged to come, as this is not an advanced class, and many simple dances will be taught.

Besides being instructive and giving exercise, Folk dancing is fun and those who attend have a thoroughly enjoyable time.

The class will be from 7:30 to 9:30 in the high school gym. Mrs. Louise Tordt will be the instructor and hopes to have a large attendance.

Mrs. Charlotte King of Vancouver Island, British Columbia, arrived this week to visit her sisters, Mrs. Frank Cutting and Mrs. Cora Rickers. Mrs. Cutting has not seen her sister for 39 years.

Mrs. Richers recently entertained her husband's two sisters, Mrs. Charlotte Cobb, Pipestone, Minnesota and Mrs. May Conrad of Alameda. Mrs. Conrad was accompanied by her two sons, the Rev. Ralph Conrad of the Alameda Congregational church and Charles Conrad of St. Louis, Mo.

A wedding was held at the home of Mr. and Mrs. W. B. Whitmore, West Campbell avenue, last Friday evening at 8 p. m. The bride was the former Miss Gloria Jean Howard of San Francisco and the groom, a friend of the Whitmores, was Seaman 1/c Isom Brown, also of San Francisco.

The Rev. L. J. Osborne of the Methodist church officiated at the ceremony which was attended by several out of town friends of the young people and a few Campbell friends, among whom were Mr. and Mrs. Jack Murdock, Mr. and Mrs. Walter Silberbauer and Mrs. Jack Silberbauer. A wedding cake and punch were served after the rites.

Santa Cruz was selected for the wedding trip but the newly-married couple expect to live on the east coast.

Leslie H. Fentress has recently bought a home at 198 Sunnyside avenue and is at home there. Mr. Fentress, a native Californian, has lived in several parts of the bay area but most recently in Oakland.

Mrs. Warren Eddlemon, 33 South Third street, vice-president of the Antiques Club, will be next month's hostess for the group. The first meeting of the year was held last week at the Willow Glen home of Mrs. Matthew H. Burns, a former Campbell resident.

Kiwanis To Honor Retired Editor Edna F. Smith

Tuesday's Kiwanis club luncheon will pay tribute to Mrs. Edna F. Smith, retired editor and publisher of the "Press." In charge of arrangements for this are Dr. W. I. Merrill, Mark Purmort and Carl Field.

Six members of the club journeyed to Santa Cruz last evening to attend a division meeting.

A large group of members and guests were present at the stag barbecue held last Tuesday evening at the country home of Ray Bishop and the committee in charge received enthusiastic compliments.

Club Women Open Season

On Monday afternoon the Country Woman's Club held its first meeting of the season with members and friends enjoying luncheon and a program in the club hall. While the afternoon was a social one, there was also the underlying thought that this meeting was the first to be held since the world is again at peace. Symbolical of this thought, the table decorations used quantities of tuberous begonias, daisies and dahlias with white as the prevailing color, interspersed with olive branches and crystal doves. Place cards at the head tables, each with a dove of peace, were done by Mrs. Theodore Cutting.

Grouped about the speakers' table, which was decorated in an all white motif, were Mesdames D. H. Cramer, E. I. Price, M. E. Purmort, L. J. Carboni, W. R. Morgan, R. H. Hyde, Edna Smith and G. E. Jeffers who were introduced by Mrs. Carl Field as past presidents of the club. Others at this table were Dr. Dorothy Kaucher, those responsible for the musical program, Miss Helen Stray as program chairman and Mrs. G. Martin Allen of the Campbell Press.

The Woman's Guild of the Congregational church was responsible for planning and serving the largest opening luncheon in the history of the club.

Cornet solos by Rev. Robert Carlson, accompanied by Mrs. Dave Sanders formed the first part of the musical program and Miss Ruby Anderson, accompanied by Mrs. Edith Van Rossen sang three numbers.

Miss Helen Stray introduced Dr. Dorothy Kaucher, who highlighted the afternoon's program with her address titled, "The Heritage of the American Pioneer in Building for the Future."

The executive board, comprised of Mesdames C. B. Field, O. S. Price, I. H. Grim, C. E. Hancock, Sue Boyce, E. R. Kennedy, G. E. Jeffers, T. A. Cutting, Anthony Jurras and Miss Helen Stray were in charge of arrangements for this meeting.

Mrs. Jessie Shelley gave some definite information as to the packing of gift boxes for the boys overseas and outlined briefly the work ahead for the club's Red Cross meetings.

Next Monday afternoon the club will hold a Red Cross meeting devoting the time to sewing utility bags, bed jackets and O. D. slippers; women intending to assist in this work are asked to bring thread, needle and thimble. There will also be work for those preferring to knit; Mrs. D. B. Pressler will be in charge. The president, Mrs. Carl Field, has called a meeting of the executive board at 1:45 to precede the Monday meeting.

Mr. and Mrs. G. E. Jeffers, West Campbell avenue, had as their guests for the week end their daughter, Miss Elaine Jeffers, a cadet nurse at Samuel Merritt hospital, and three of her friends, Mrs. Howard Harding, Mrs. Larry Phillips and Miss Jewel Monasmith.

Campbell is to be complimented on its splendid youth program carried on for two years. The Rev. Donald Baldwin, former Methodist minister was the instigator of the idea which was carried out by many public spirited community groups and individuals. "Jimmy" Glynn gave the boys the kind of leadership they need and want and all the activities were well attended.

There are those who say that this program failed in that it did not reach those youthful citizens most in need of it but it is impossible to say how many *potential* juvenile delinquents were reached. Work with youth is always most effective *before* instead of *after* altho the results are sometimes years in showing.

COMMUNITY FRIENDLINESS
by Rev. Lawrence J. Osborne

Some one has said that the test of a community's friendliness is in the way it reacts to strangers and newcomers. If a person goes along the main street of a town and speaks to everyone who will give him a chance he can tell pretty well by the replies he gets the degree of friendliness in the community. Of course, that is just one test, but it has its virtue. The community of Campbell more than passes the test of friendliness by the way it warmly receives new-comers. This is a cordial place to live.

Perhaps we take this attitude of cordiality just for granted because of the tradition of this community being "one big family". But we should be aware of the benefits of the neighborliness. It is something worth preserving in the community. It ranks high among the tangible assets of our civic life.

The young men and women who have been in the armed services of our country have been deprived of the kind of neighborliness they had known in Campbell before the war. They have been placed in huge groups of uniformed comrades. They have been parts of a vast organization. They have been units in a military offensive which staggers the imagination. They have served faithfully and well in the gigantic war machine. Now they are eager for something different. They want and need a cordial, friendly neighborhood to come back to. They need to be made to feel "at home" in these familiar surroundings.

Community friendliness, then, is more than a tradition, or a test for a new-comer to judge the town. It becomes a duty for all of us to express this feeling of genuine goodwill and interest in the men and women who are weary of global warfare. We have an obligation to show them that Campbell is still a friendly neighborhood and a pleasant place to live.

Helen Traubel Appears Oct. 1

The "Amazon Goddess of Song" Helen Traubel, with her monumental voice, is scheduled as the opening event of the Tenth Annual San Jose Concert Series, on next Monday evening, Oct. 1. It has been said of Miss Traubel's voice that such a vocal instrument is an event that comes not oftener than every other decade and it would seem to be true, for not since Nordica, Gadski and Melba, has the world heard such a voice. Music lovers are eagerly looking forward to her program, especially to the heroic aria, "Elsas' Dream" from Wagner's "Lohengrin."

*Mrs. Frank Weeks, 38 South Fourth street, has just received news that her nephew, Delmar Hiett Jr., 16½ years old, was killed in a hunting accident in Fort Worth, Texas. heme." The Puccini opera was given its United States premiere in San Francisco in 1898, the Melba Company gave it in Philadelphia in the same year, and in 1907 it had its Metropolitan debut with Caruso, Sembrich and Scotti. It has always been one of the most popular of operas. The cast singing it currently at the Metropolitan, with the San Francisco Opera and in San Jose on Oct. 8, is brilliantly able, including Licia Albanese, Charles Kullman, Ezio Pinza, Nadine Conner, Baccaloni, Valentino and Cehanovsky.

Season tickets for the San Jose Concert Series are still available. All seats are on sale at the Denny-Watrous box office, San Jose auditorium.

WE ARE ON OUR WAY

The peak of our Company's telephone shortage was in August. Then we had about 305,000 unfilled orders for service of which more than 228,000 were for service in residences.

More orders come in every day, but now we are installing telephones faster than the new orders come in. We will get 80,000 telephones from July to December 31 this year, and 80,000 in the first three months of 1946.

Western Electric, our manufacturing company, is setting up every machine it has that will make telephone equipment.

In the next 12 months the Bell System expects to install more telephones than there were in all of France and Belgium before the war.

Even that will not give service to everyone who wants it in that time. There are places where we have complicated switchboards to install—even places where we must build new buildings for the new switchboards. While there were in August more than 123,000 unfilled orders due to lack of telephone instruments, there was a greater number, about 164,000, unfilled due to shortage of central office facilities.

But we are on our way to give service to all who want it—on our way to restore Bell System standards of service and raise them even higher. We are turning our facilities back to civilian service just as fast as we turned them to the instant needs of war.

The next meeting of Campbell Chapter will be Friday night October 5th. This meeting will be highlighted by initiation of a class of candidates and will also be the birthday party of the Chapter. The Chapter will be just one year old on October 12th and it is an especial compliment that Campbell has been recognized by the Grand Chapter of California as an ideal community as it is only once or twice in two or three years that a new Chapter is permitted to organize in the entire state.

SUPPORT THE WAR CHEST

"What I like about the
**WAR
CHEST**"
says a war veteran

"When a fellow has been away from home, especially in the dictator countries, you sure appreciate the American way of doing things. That's what I like about the Community War Chest... it's American and democratic because nobody's forced to give. You just give because you feel like giving. And it makes you feel good to see money being used to do good. Even though we're all mighty happy that the war is over now, we musn't forget that THE WAR ON WANT IS NOT YET WON. There's still a big job to be done with War Chest dollars."

"It's sure tough to see how kids in foreign countries have been hit by war. Now they seem bewildered and lost in Peace. It is good to see how America goes on helping them and that America has the spirit to continue helping them."

"Think of the young seamen in the Merchant Marine or the older hands working a Liberty ship across the Pacific. Their job will go on long after the last gun was fired, carrying supplies to hundreds of island outposts and bringing my buddies home again. When these men hit shore, in any one of 94 ports, they are sure glad to find a decent, clean American club of their own, run by the United Seamen's Service. War Chest dollars put them there."

"Ever been homeless? There are millions of fine people destitute and homeless throughout Europe and the Philippines and China. Homes have been destroyed and families separated. There is a long, long job ahead in resettlement. Your War Chest dollars are needed to help them."

GIVE GENEROUSLY TO
Your Community War Chest
